9. REGULAR AGENDA ITEMS

All agenda items are open for public comment following deliberation by the City Council. 9.a Resolution to Establish a Library Special Projects Fund #134 and a Budget Amendment Resolution for Fund #134

The City of Astoria is receiving an estimated $80,000 from the Library Foundation to be used for capital projects and program support of the Astoria Public Library. This instance supports the need to isolate library donations and small grants that the Astoria Public Library may receive in the future, which should be tracked separately from the General Fund. City Council is asked to approve a Resolution to establish a Library Special Projects Fund and hold a public hearing and adopt a Supplemental Budget to account for revenue to be received as well as appropriations through this fund.

9.b Library Bond Construction Fund #191 Budget Amendment Resolution
