8.a [AUTHORIZATION TO APPROVE A CHANGE ORDER FOR THE IRVING AVE.
AT 27TH STREET EMERGENCY ROAD REPAIR PROJECT](#)

Following the December 2025 storm event, significant roadway failure occurred on Irving Avenue at 27th Street, requiring emergency repairs to restore access and public safety. Council previously approved a construction contract with Big River Construction and a 20% contingency; however, additional roadway damage identified prior to construction expanded the project scope. The added work, combined with a required prevailing wage adjustment after project costs exceeded \$50,000, resulted in a change order totaling \$10,717.87. Staff recommends approval of the change order to finalize project costs and maintain compliance with BOLI requirements.
