Over the next few weeks, I will be working with Council Members and the Borough Manager to review committee structure, responsibilities, and individual interests, with the goal of ensuring balanced representation, clear roles, and effective communication.

Committee appointments will be finalized and announced prior to the January 20th Council Meeting, allowing committees to begin their work early in the year and in alignment with the Borough's 2026 priorities.

I appreciate everyone's willingness to serve and look forward to a productive, respectful, and team-oriented year ahead.
