2. Workshop Items

2.A **Presentation and discussion of the City's Capital Improvement Program (CIP). (Approximate time: 1 hour)**

Summary: This workshop item provides City Council with a comprehensive year-in-review of the Program Management Office (PMO) Capital Improvement Program (CIP). The presentation will introduce the PMO, summarize operational and process improvements implemented, review financial performance, highlight completed and active projects, and present tools developed to improve transparency, reporting, and project delivery. The workshop will also provide an overview of major capital initiatives including GO Bond projects, intersection and roadway investments, construction starts, and Council district-level project activity. The intent of this presentation is to inform Council of progress made to modernize the CIP program, improve accountability, and position the City for long-term infrastructure delivery and growth.

Staff Liaison: James Shano, Director of Program Management Office, jshano@buckeyeaz.gov, (623) 349-6965

2.B **Presentation and discussion of the Buckeye Police Department's responsible use of public safety technology. (Approximate time: 30 minutes)**

Summary: The Buckeye Police Department will present information discussing the responsible use of technology, including license plate readers, to the Council. Furthermore, the Department will explain internal policies and procedures designed to safeguard collected data and information.

Staff Liaison: Robert Sanders, Chief of Police, rsanders@buckeyeaz.gov, (623) 349-6430
