

PERMITTING & BUILDING SAFETY WORKSHOPS AT CITY HALL

Learn more about permits, inspections, and the city's eTRAKIT system through a series of educational workshops taking place throughout the year.

Upcoming Dates:

Monday, June 29
Tuesday, October 13
Thursday, December 3

The city will also host a **Building Safety Inspection Program (BSIP)** Workshop on **Monday, August 17.**

This workshop will focus on the requirements of the Broward County Building Safety Inspection Program.

All workshops will take place in the Sawgrass Room from 6 to 7 p.m.
