NEW BUSINESS

Item #1: Welcome Jeff Lowe back to the Plumbing Board!

Item #2: Discuss reciprocating procedures with other towns/villages.

Item #3: Discuss how Mullens is digging and hitting sewer lines and doing the repairs themselves. No inspections are being done on these repairs, and no licensed plumbers are doing the work.

Item #4: Discuss old Board member standards.

Item #5: Discuss about being licensed to do gas work in the City of Kingston.

Item #6: Discuss setting standards for qualifications to become a licensed plumber in the City of Kingston.

Item #7: Discuss putting all new plumbers on probation for six months once they become licensed.
