2 COMPREHENSIVE PLAN OVERVIEW

- 2.1. In 2016, the Kingston Common Council adopted a new Comprehensive Plan for the City - "Kingston 2025" - the City's first since 1961. This action culminated an extensive four year process to develop a vision and guide for Kingston's future. Kingston 2025 recommends goals, policies and objectives related to land use, nature and historic resources, housing, transportation and public facilities. Also included are proposed measures to implement the plan, including major revisions to the City's outdated Zoning Law.
