Public comment is not an open forum to discuss matters unrelated to education, to support or oppose candidates for public office, or to engage in commercial speech attempting to sell a service or product to the School Board or public. Also, public comment is not a forum to attack individual school system employees or Board Members. Any such complaints should be submitted in writing to the Superintendent for appropriate handling. Finally, this is not a forum for addressing issues involving individual students. Because of privacy concerns, such issues should be submitted in writing to the Superintendent for appropriate handling. Each speaker is allowed three minutes to address the Board. Speakers must stand at the podium and not approach the dais.

This is a business meeting of the School Board and the public expects that we conduct it in an orderly, efficient, effective and dignified manner. We request that speakers keep this in mind when making your comments. We also request that the audience keep that in mind and not demonstrate approval or disapproval of what a speaker has said by clapping or booing. The Board appreciates the public's input and will listen attentively, consider each comment, and usually will not respond, enter into debate, or answer questions during comments on agenda items or during the public comments section.
