If you would like to speak about a matter that is listed on the agenda, we ask that you wait until that agenda item is called, and we will give you an opportunity to speak then. If your matter is on the "Consent Agenda", please let us know if you would like us to remove that matter so that you can speak about it.

Anyone desiring to speak should fill out a written speaker form (located in the back of the Board Room) and submit it to the Village Clerk. "Public Comment Time" is not a forum for open dialogue or engagement with members of the Village Board.

Rather, it is intended as an opportunity for you to make comments to the Village Board. While the Village Board will not immediately respond to public comments at this meeting, or engage in a back and forth discussion during the meeting, please be assured that the Board is actively listening to all comments, thoughts, and suggestions.

All speakers will be limited to a total of three minutes. We request that everyone be respectful, civil, and non-repetitive; and we ask that members of the audience refrain from applauding or making any other comments during or after any speaker.
