No Old Business.

NEW BUSINESS:

4. **Instructor Guide for Contract Class Programming** – Samantha Ochoa, Recreation & Community Services Coordinator, presented the department's updated Contract Instructor Guide. She reported that all of our current instructors had completed their contracts on time last week. We currently have 25 Contract Instructors, including those who teach on-site and offsite at their business locations. Ms. Ochoa reported that there are a lot of potential instructors who want to teach classes. We are working on creating a good balance and not being over-saturated with multiple classes on the same subject. Our goal is to maintain an excellent overall variety.

COMMENTS:

NELSEN: Asked Ms. Ochoa if she receives requests from instructors to teach at a specific location.

OCHOA: Ms. Ochoa responded that yes, it happens a lot, and sometimes, the space the instructor wants is being used by another instructor who has regular ongoing classes at that community center at the same time that the other instructor is requesting. Ms. Ochoa said she offers them any open locations we have, and they have up to 30 days to decide if that location will work for them.

MOTION TO APPROVE THE INSTRUCTOR GUIDE FOR CONTRACT CLASS PROGRAMMING (BINNEY/NELSEN) WAS CARRIED UNANIMOUSLY.

COMMISSIONER/LIAISON COMMENTS:

MAYOR PRO

TEM WAPNER: Congratulated Samantha Ochoa for her work on the Instructor Guide for Contract Class Programming and that she did a great job on her presentation. He thanked all of the Commissioners for their work and for coming out to all of the events.

DETRES: He stated he is looking forward to all of the Recreation & Community Services Department's upcoming events.

CASKEY: Mr. Caskey stated that he always enjoys the employee highlights that Nick Gonzalez includes in the monthly presentations. Mr. Caskey shared that Friday, March 18, 2022, Ontario Heritage held its 4th Annual Golf Tournament at Whispering Lakes Golf Course. It was a very successful event. He thanked Rita Nelsen for being instrumental in the planning and the Recreation Department for their support in providing tables and chairs. He also thanked Mayor pro Tem Wapner and Council Member Debra Dorst-Porada for their support.

NELSEN: Shared that the Golf Tournament was great, and it was beautiful to see so many participants. She stated that Mr. Caskey's energy at the event was a great representation of Ontario and its residents. Ms. Nelsen thanked Samantha Ochoa for her presentation and recognized that it was a difficult job, and she's doing great! Ms. Nelsen also thanked Mayor pro Tem and the City Council for keeping everyone active in Ontario.

BINNEY: Commented on how the attendance report clearly shows that we're doing something right at all of our programs and events. Mr. Binney shared that he was visiting Anthony Munoz Park recently and noticed the maintenance people coming through the park and doing their job by keeping the park clean, green, and watered. Kudos to all involved.

RILEY: Shared that she attended the "State of the City" event and how nice it was. She also participated in the "Taste of Ontario" and said she enjoyed it. Ms. Riley shared that she has a friend whose grandchild is taking lessons at the Anthony Munoz Community Center who has some verbal issues. The classes at the center have really been helping him. He is improving and trying harder.

THE NEXT RECREATION & PARKS COMMISSION MEETING WILL BE HELD ON APRIL 25, 2022, IN THE COUNCIL CHAMBERS.

While this is great, Recreation & Community Services staff are beginning to see impacts related to hiring new staff in preparation for the Summer 2022 season. Staff are working with local partners and the Human Resources/Risk Management Agency to streamline hiring practices and recruit new staff to the Department.

Vanessa first started with the Department in 2018 as an Instructor/Guard, was promoted to Pool Manager in 2020, and most recently, Senior Pool Manager in 2021. Vanessa holds a Bachelor of Science degree from San Diego State University in Child and Family Development. She will transition to the Westwind Community

Center overseeing Adult Sports for the Department. Vanessa has a lot of fieldwork experience working in elementary and preschools while she was in San Diego. Her experience and skills will add to the programming being done at Westwind.

- **Maria Munoz:** As a resident of Ontario, Maria attributes a lot of her success to growing up with the Recreation & Community Services Department. In 2015, Maria became a Recreation Leader out of the De Anza Community & Teen Center and was then promoted to Senior Recreation Leader in 2018. During the pandemic, Maria was placed on a temporary assignment with the Business License Division for about 7 months before being promoted to an Office Assistant with the City Clerk/Records Management Department. In August 2021, Maria came back to the Recreation Department as our Office Specialist. Maria has shown tremendous growth and success in her role and I'm confident she will thrive in her new Recreation & Community Services Coordinator Role. Maria holds a Bachelor of Arts degree from California State University, San Bernardino with a concentration in Human Resources Management. She will remain at the Armstrong Community Center overseeing Special Events for the Department.
- **Anayissa Rebollo:** A resident of Ontario, Anayissa spent a lot of her youth attending recreation events. Her favorite event growing up was Snow Day at Westwind Park. As a teen, Anayissa worked for the Department starting in 2016 as a Recreation Assistant. She was then promoted to a Recreation Leader, Senior Recreation Leader, and then joined the marketing team as an Office Assistant in 2020. Anayissa has a passion for marketing, special events, and sports. Her energy and passion for the services we provide are definitely contagious, which is why I am thrilled to have her added to our full-time team. Anayissa holds a Bachelor of Arts degree from the University of California Irvine in Literary Journalism/English. She will transition to the Dorothy A. Quesada Community Center overseeing Youth Sports for the Department.
- **Mayra Villasenor:** While new to the Department, Mayra is not new to the Ontario community. As a resident of Ontario and a lifelong educator for youth, Mayra has an impressive background in the education field. She was previously an ESL Preschool Coordinator and Vice Principal for schools in Mexico. Most recently, she was a Lead Instructor for ABC For Me Preschool in Claremont and started with Ontario in September 2021. During

Mayra's interview, she brought up ideas on how to integrate thematic teaching into the Tiny Tots Enrichment Learning Program and work with our current instructors to overall enhance the curriculum. I'm excited to add Mayra to the full-time team and am assured of her skills and abilities to expand programs for tots. Mayra holds a Bachelor of Arts degree from Universidad Autonoma de Baja California in Language Teaching. She will remain at the De Anza Community & Teen Center overseeing Tiny Tots for the Department.

Congratulations again to our four new Recreation & Community Services Coordinators!

Veterans Memorial Community Center Operations Update

AGENDA REPORT SUMMARY

On March 29, 2022, West End YMCA notified the City of Ontario that they had made the difficult decision to discontinue operations at Veterans Memorial Community Center effective May 27, 2022.

West End YMCA sincerely values the partnership with the City of Ontario and will work with Recreation & Community Services staff on vacating the facility.

At this time, the Recreation & Community Services Department does not have the capacity to operate this community center within our current staffing model. Staff will continue to open/close the facility for the Zum Up! Zumba program.

For the month of June 2022, this program will continue to operate Mondays – Fridays from 10 AM – 11 AM. Starting in July 2022, the program will only be offered on Tuesdays and Thursdays from 10 AM – 11 AM.

Recreation & Community Services staff are currently looking for other organizations to partner with and operate the facility in the interim to ensure services can still be provided to the surrounding community.
