Thank you for your interest in Schaumburg Village Board meetings! Regular meetings of the Village Board are held at 7 pm on the second and fourth Tuesday of each month at the Schaumburg Village Hall in the Board Room at 1000 Woodfield Road. Members of the public are welcome to attend.

The Village Board uses a consent agenda for its meetings. The consent agenda is comprised of recommendations that have been advanced by 7 standing committees. These standing committee meetings are open to the public and held at regularly scheduled dates and times. Standing committees review items in detail and allow the members to discuss items, reach consensus, and make non-binding recommendations to the full Village Board. Because the items advanced by standing committees have been fully discussed at the committee level, recommendations are generally not subject to further deliberation at Village Board meetings. Items on the consent agenda may also be recommended by the Zoning Board of Appeals, Plan Commission, or the Village Manager. An elected official, staff member, or member of the general public may request that an item be removed from the consent agenda for further discussion. If there is such a request, the item can be removed from the consent agenda and discussed under committee reports.
